## Personal

**Name:** Harsh Vasudev Patil

**DOB:** 27-Nov-2001

**Gender:** Male

**Nationality:** Indian

**Marital Status:** Unmarried

## Career Objective

Seeking a challenging career in a reputed organization which will help to develop my abilities and skills in the field of software and the progress of organization.

## Certification

**Course:** Full Stack Java Developer

➤ **Seed Infotech Ltd (In Progress)**

**Certification Description:** Seed Infotech Institutes provide an all-inclusive training program emphasizing the development of dynamic web applications, ensuring engaging user interfaces and robust server-side functionality supported by strong database interaction skills.

## Skills Developed:

- **Front-End Proficiency:** HTML, CSS, and JavaScript expertise for exceptional user interfaces.
- **Strong Back-End Development:** Strong Java expertise for robust server-side applications and complex logic.
- **Database Management:** Proficient in SQL, designing databases, implementing CRUD operations.
- **Full Stack Integration:** seamlessly integrating front-end and back-end for fully functional web apps.

## Education

- **Bachelor of Science in Computer Science (BSc CS)**  
University of Mumbai 2022-2023  
**CGPA: 8.6**
- **Higher Secondary Certificate (HSC)**  
Maharashtra State Board 2018-2019  
**Percentage: 51.38%**
- **Secondary School Certificate (SSC)**  
Maharashtra State Board 2016-2017  
**Percentage: 67%**

## College Project

**Topic Name:** Student Information System

**Description:** I designed and implemented a Student Information System with an admin module for CRUD operations on key entities like Roles, AccountStatus, Users, Students, Teachers, Courses, Enrollments, and Subjects. This project optimizes user and academic data management for educational institutions.

## Developed with:

**Front End** JavaScript and Bootstrap for responsive UI.

**Back End:** Servlets/Java EE for seamless functionality.

**Database:** Oracle 21c with JDBC for optimized interactions.
